MARYVILLE, MISSOURI, WEDNESDAY, DEC. 7, 1910.

NO. 159.

STILL IN ST. JOE

RASCO PROBABLY NOT TO BE HERE THIS WEEK.

THE INFORMATION SOON?

Probably Before End of Week Will Be Filed—Officers Only Ones to Know Time of Hearing.

The St. Joseph Gazette had the following article in today's issue concerning Rasco's return to Nodaway county for the preliminary hearing, and says he will be here either today or Thursday. The officials here denied that Rasco would be here at that time, and said that no one would know just when he would be here. No information has been filed yet. The article follows:

Hex Rasco expects to make the trip today or tomorrow to Nodaway county for arraignment before a justice of the peace, on the charge of murdering the four members of the Hubbell family at Guilford, Mo., two weeks ago last Sunday.

That the officers will take him back this week was the information which was gleaned by Rasco by conversations which he had with Sheriff Tilson, Monday, when the latter was to see the prisoner, and from his brother and sister who came yesterday and had a talk with the young man now held in the Buchanan county jail.

Rasco continues in a cheerful mood, his jailers say, and he seems willing to go back for his arraignment. He gathered from the conversation of his relatives and of the Nodaway county officer that the feeling against him, which was so bitter immediately following the Hubbell murder, has somewhat subsided, and that there is no fear now of personal violence.

It is likely, however, that following his arraignment Rasco will be brought back to St. Joseph.

From present indications the case against Rasco will be carried on without placing him on the stand. This, however, depends upon the decision he and his attorneys will make.

No one has been found who has witnessed the Hubbell murder, so far as can be learned. While all the circumstances are said to point to Rasco as the probable murderer, he continues to maintain that he is innocent.

Under the Missouri laws, unless an accused person is placed on the witness stand, his past record cannot be gone over. For this reason, if Rasco does not take the stand the state will not be allowed to bring out anything about former convictions, one for the murder of Mrs. Kate Hamill about

fourteen years ago.

Without a confession from Rasco, which he has absolutely refused to make so far, as he stands on his first statements that he is innocent, the state will have only circumstantial evidence upon which to base its case.

Mr. and Mrs. Ed Mighells of Aurora, Neb., and Frank Miller of Oklahoma City, Okla., arrived in Maryville Monday night and are the guests of Mr. and Mrs. John M. Signs. H. V. MEEKER DEAD

FATHER OF WABASH STATION AGENT AT BEDISON.

BURIAL IN GENTRY CO.

Funeral Services to Be Held Thursday Morning in the Christian Church at Bedison.

Henry V. Meeker, father of A. L. Meeker, the Wabash station agent at Bedison, died at his son's home Tuesday night, after a month's illness from a complication of diseases.

The funeral services will be held at the Christian church in Bedison Thursday morning at 10 o'clock and will be conducted by Rev. Long of Stanberry. The burial will take place in the Meeker cemetery, ten miles south of Stanberry, where the bodies of three children lie.

Mr. Meeker would have been 64 years old had he lived until December 14. He was born in Dark county, Ohio, but had been a resident of Gentry county, Missouri, since 1859 until about a year ago, when he and Mrs. Meeker went to Bedison, this county, to live with their son. He married Miss Sarah Elizabeth Arams of Gentry county, who survives him with seven children, who are I. H. Meeker of Guilford, Mrs. B. T. Moore of Hatfield, Mo.; A. L. Meeker of Bedison, Mrs. J. B. West of Centralia, Wash.; Mary L. Meeker of Wilcox, Felix Meeker of Bedison and M. H. Meeker of Council Bluffs. Three children preceded the father to the better world.

She was married about a year ago to her husband, who is the editor and manager of the Morgan County Herald at Fort Morgan. They have been visiting Mr. Morgan's mother and other relatives at Winterset, Ia. Charles Avery of Kansas City, a former Maryville young business man and the brother of Mrs. Cooper, has been in Maryville several days on account of Mr. Jackson's illness.

PLANNED TO CREATE NEW NORMAL DISTRICT

(St. Louis Globe-Democrat.) Plans for another normal school district in Missouri, to include the counties of St. Louis, St. Charles, Franklin, Washington, St. Francois and Jefferson, are on foot, according to a statement made by Rowland L. Johnston of St. Louis county yesterday. Johnston has already prepared a bill establishing the additional district, to be known as No. 6, and the assurance has been given him by several members of the state legislature that the bill will be supported.

In case the bill passes, Mr. Johnston declares, St. Louis county will stand a good chance to secure the new school, on account of its large population and its close proximity to the city of St. Louis.

Mrs. J. E. Williams of Pickering was shopping in town Wednesday.

TRIAL ON THURSDAY

PATRICK TO BE TRIED AS TO HIS SANITY.

TO BE HELD BEFORE COURT

Large Number of Witnesses to Give Testimony—Seems to Be Sane, Some of Them Say.

W. H. Patrick, who drove his family out of his house Sunday night and tried to engage in a shotgun duel with Fred Welling, did not have his hearing on a charge of insanity before the county court today, as had been planned. The hearing will be held Thursday. A number of doctors are making examinations of Patrick this afternoon to find out his mental condition, and will report to the court Thursday. A large number of witnesses were in the city today to give their testimony, but all now have to stay over until Thursday.

According to the people in jail, Patrick does not seem to them to be insane. The only time that Patrick ever showed any signs of insanity was Sunday night when he drove his family from the house and compelled them to flee, so some of Patrick's neighbors say, so some of Patrick's neighbors say.

The county court was to have adjourned Wednesday afternoon, but as the case will come up Thursday they will stay over for that day. The present members of the court will probably not hold another session until the last of December or the first of January, when they will be here to clean up all work so the new members will start off with a clean docket.

WILL GIVE CONCERT AFTER NEW YEAR'S

Mr. Louis Espinal, the noted Italian baritone vocalist and teacher in St. Joseph, assisted by two of his pupils, Mr. John Baker and Mrs. Joseph Apple, tenors, will give a concert in Maryville soon after New Year's.

Mr. Espinal was in Maryville Wednesday making preliminary arrangements and getting acquainted with some of our music loving people.

Mr. Espinal came to St. Joseph from New York City about a year ago and is daily demonstrating his superior gifts as a vocalist and teacher. It is probable that no vocal teacher in this part of the country has enjoyed the instruction of such teachers as he has been under from his earliest youth in Italy and France.

The appearance of the cultured Italian vocalist and teacher and two of his pupils before a Maryville audience will be an innovation that will without doubt prove attractive to our lovers of music and singing.

Mr. Goforth at Work.

W. E. Goforth our popular Burlington agent, took up his work again at the Burlington depot Tuesday morning, after a several weeks' absence while taking treatment at a sanitarium in Kansas City. He is feeling fine and vigorous, which is good news to his many friends.

CLUB APPOINTS COMMITTEE TO AID NORMAL

Pickens as the committee from the club to work with a committee from the Normal faculty to meet with the junketing committee next Monday, when they will be in the city to visit the State Normal school. This committee will tell the reasons and explain why the school should be given a large appropriation at that time. Other matters the committee will have to do is to take up the work of making each legislator understand the importance of this appropriation to the school.

FILING CANDIDATE AFFIDAVITS TODAY

Of the candidates' affidavits filed with Recorder Carpenter up to Wednesday, Judge Conn heads the list of county candidates for spending the most money. His expenses were \$138.56. Eugene Rathbun is second with \$136, and J. Arthur Wray third with \$130.

The Democratic county committee will file their statement today with the recorder. They spent about \$1,000 in the recent campaign. The Republican county committee has not as yet filed its statement.

FALLING HAIR.

Easy to Stop It and Make It Lustrous and Beautiful.

If your hair is falling out; if you have dull unattractive hair, or if you need a daily hair dressing, read what Mrs. Hettie Hodgeman of Nelsonville, Erie county, Ohio, writes June 3, 1910, about Parisian Sage:

"I used Parisian Sage for falling hair and find it the finest thing I ever heard of. My hair was falling out by combs full, and I could run my fingers through it and they would hang full of loose hair. I washed my hair and got a bottle of Parisian Sage and used two applications, and I could see a great difference. My hair was lustrous and nice and had almost stopped falling out, and by the use of one more bottle it stopped altogether."

For women, for men or for children Parisian Sage is without any doubt the finest preparation for the hair. It is guaranteed by the Koch pharmacy to stop hair from falling; to eradicate dandruff and stop itching scalp in two weeks, or money back. It is a most daintily perfumed and refreshing hair dressing, free from grease or stickiness, and ought to be in every home where every member of the family could use it daily. Large bottle 50 cents at the Koch pharmacy and druggists everywhere. The girl with the Auburn hair is on every package.

FOR CATARRH.

Medicine Free in Every Case Where It Fails to Relieve.

Neglect of pessimism, we believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, we believe, for many cases of consumption. It is about catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied.

We have a medicine made from a prescription of one of the most successful catarrh specialists known. We believe it is positively without an equal. We are so satisfied that we are right that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time should it fail to give satisfaction in every particular. We want every one to try this medicine at our risk. There are no conditions attached to our offer. We put the user under no obligation to us whatever.

The medicine we want you to try is Rexall Mucu-Tone. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Mucu-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with.

We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody. Rexall Mucu-Tone comes in two sizes, 50 cents and \$1.00. We urge you to try it. Remember you can obtain Rexall Remedies in Maryville only at our store—the Rexall store. The Orear-Henry Drug company.

CATARRH WILL GO.

Relief Comes in Two Minutes, Complete Cure in Few Weeks.

Don't go on hawking yourself sick every morning; it's cruel, it's harmful and it's unnecessary.

If after breathing Hyomel, the wonder worker, you are not rid of vile catarrh, you can have your money back. No stomach dosing—just take the little hard rubber pocket inhaler that comes with each outfit, and pour into it a few drops of Hyomel. Breathe it according to directions. In two minutes it will relieve you of that stuffed up feeling. Use it a few minutes every day, and in a few weeks you will be entirely free from catarrh.

Breathing Hyomel is a very pleasant and certain way to cure catarrh.

Get an outfit today; it only costs \$1.00; it's worth \$1,000 to any catarrh sufferer. For sale by druggists everywhere and by the Orear-Henry Drug company, who guarantees it to cure catarrh, croup, coughs, colds, sore throat and bronchitis. After you once own a Hyomel hard rubber inhaler, which comes with the outfit, you can buy an extra bottle of Hyomel Liquid from the Orear-Henry Drug company for only 50 cents; the inhaler lasts a life time.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nervousness. It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, indigestion and slow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
